September 30 1901 commenced survey for John W. Chaver et al in section 8-7-6 as above appointed H. M. Parker Deputy

Course.	Point of Beginning.	Chains Distance.	Corrected Bearings.
East	N 1/4 7-6-80.22	NE returned 40.11 and established a corner Mr. Peoples objecting	1° 8'
North	S 1/4 118 40.00	on 81.00 N 1/4	3° 50'

This survey is really a continuation of the survey described on Page 40 which is a resurvey of the work described on Page 7 the court having decided that survey illegal because the County surveyor had not subscribed to it as the law requires. That survey was made in accordance to a survey previously made by Mr. Boy in section 5-7-6 but subsequently decided the N.W. corner of 8 should be east of N 1/4 sec 7 at var. of 3° 37' about as road now runs instead of as Mr. Boy's location made on the equal area plan. The principle of "adverse possession" operates adversely to this survey, as at present in other localities.
